

Environmental Special Interest Group

Saskatchewan Registered Nurses' Association

"The Muppet Movie" -- Copyright 2007 Muppet Studios

It's **so** easy being **green!**

Open to registered, retired, and NEPS students from all areas of practice, no special background needed just an interest in **greening** nursing practice!

Our goal is to work together to support environmentally responsible nursing practice through education, awareness, innovation, and strategic initiatives.

Start up meeting: 5pm, Tuesday, May 6th, Regina Inn
