

Chapter or Professional Practice Group Grant opportunities and guidelines

Purpose of the Grants

The SRNA values continuing competence, life long learning and the work of members who support the SRNA's mission and Ends and the nursing profession through the SRNA Chapter and Professional Practice Group (PPG) programs. The purpose of the grant is for the SRNA to provide financial assistance to a SRNA Chapter or PPG to assist with their operating expenses and achieving their goals and objectives.

Funding parameters

1. All funding is subject to budget allocation for the SRNA membership programs.
2. Priority for funding will be given to: 1) new Chapters and PPGs to begin operation and 2) annual operating grants for Chapters and PPGs.
3. Grants will be determined on a first come first served basis.

Grant Criteria

1. The Chapter or PPG shall adhere to the Mission and Ends of the SRNA.
2. The Chapter or PPG adheres to Council Policy 2.17.
3. A grant request form must be completed and submitted to the SRNA Member Relations Coordinator or designate.

Types of Grants

1. New PPGs or Chapters can apply for a one time start up grant for \$250.00.
2. A PPG or Chapter can apply for a \$250.00 yearly operational grant from Jan 1 to Dec 31.
3. Upon availability of funding a Chapter or PPG can apply for a yearly \$250 education grant to support a member or members of that Chapter or PPG to attend the SRNA annual meeting, or a nursing or related discipline education workshop or conference.
4. Upon availability of funding a PPG or Chapter can apply for special once a year grant to support the group's educational conference or workshop.
 - The amount of funding will be determined by the group's budgetary need, number of RNs that are projected to participate and an agreement by the Chapter or PPG to acknowledge the financial support by the SRNA on the event brochure or verbally during the event.
 - Funds may be dispersed to the Chapter or PPG executive prior to the event. If events are cancelled, the Chapter or PPG executive must agree to return the grant to the SRNA.
