There are many resources available to you to enhance your studying for the NCLEX-RN from a variety of sources. Only the resources that are developed by NCSBN are endorsed for the NCLEX-RN. If you find a resource that may be helpful to you, it should enhance the NCSBN materials listed above, not replace them.

Don't forget about all the materials you have learned from and used throughout your nursing education! Your textbooks and notes can be a great resource to study from.
